

**SALCHETO**  
**VINO NOBILE**  
**DI MONTEPULCIANO SALCO**

100% Sangiovese "Prugnolo Gentile"  
The name "Salco" was given to a proprietary clone found in 1992 in Salcheto's oldest vineyards. This red-leafed variety produces grapes that can resist a light over-maturation.

Wood aged for 27 months.  
Average annual production of 750 cases.  
Deep ruby red with intense purple reflections.  
Offers a superb bouquet of violet, vanilla, dried herbs, and leather.

*ROBERT PARKER 92 POINTS*  
*"An outstanding wine!!!"*
