

"GRAN PASSIONE" LIMONCELLO

Our Limoncello is made with lemons grown on the Amalfi Coast of Italy. It does not contain any extracts or other artificial flavors but it's made simply with lemon peels soaked in alcohol and sugar! On the Amalfi Coast, the sun exposure and unique soil are ideal to ripen the lemons perfectly and intensify their flavor. Serve ice cold, straight from the freezer or try it on ice cream. Shake well (the presence of lemon pulp is characteristic of genuine Limoncello like Gran Passione)

"GRAN PASSIONE" LIMONCELLO CREAM

Our Limoncello Cream is made with lemons grown on the Amalfi Coast of Italy. It does not contain any extracts or other artificial flavors but it's made simply with lemon peels soaked in alcohol and sugar! Rich, smooth Italian cream is then added. On the Amalfi Coast, the sun exposure and unique soil are ideal to ripen the lemons perfectly and intensify their flavor. Serve ice cold, straight from the freezer or try it on ice cream. Shake well (the presence of lemon pulp is characteristic of genuine Limoncello like Gran Passione)

100% natural product

Made only with lemon peels, alcohol, sugar and Italian cream (Crema)
Serve ice cold, straight from the freezer or try it on ice cream or blended with fresh berries
Can be mixed with Martinis or other cocktails to add sour lemon flavors
Shake well
